

Allergen Menu Request

In adherence with the allergy regulations, which have come into effect in December 2014, The Contract Dining Company are able to provide a full and detailed listing of allergens present within our menu range we serve at each school. Each kitchen will have listings highlighting any of the 14 EU regulated allergens present in our menu. Further extensive ingredient lists are present on site or with the Quality and Nutrition Manager in our head office. All of this material is available upon request from the kitchen manager, or from our Quality and Nutrition Manager at allergens@thecontractdiningcompany.co.uk.

Children with severe or multiple allergies need to have specific menus created tailored to their needs. The information sheet below must be filled in and sent to the Quality and Nutrition Manager before the child can begin eating school meals. Please also include medical documentation of the allergies to ensure that we can assess all the risks to the child. Meals are on a 3 weekly menu cycle and your choices will repeat. There is no need to reorder each time.

Allergen Information:

Child's Name	
School Attending	
Year Group	
Parent's Name	
Parent's Signagure	
Phone Number	
Email Address	
Allergen Information	

Please email this form along with your medical documentation along with a photograph of your child (to be used as a reference in the kitchen) to allergens@thecontractdiningcompany.co.uk and the Quality and Nutrition Manager will contact you with your menu or any questions. If you have any problems or questions, please contact the Head Office at 01622 890922.

Please note by returning this form by email, you are providing the company consent to hold your email address and this information in a secure place until we no longer require these details. This information will not be shared.
